

Dark Shadow Ghost Tours
Paranormal Related Scavenger Hunt
Rules and Regulations and Waiver

1. **Have fun and enjoy yourself.** Yes, this is a competition and you are competing against other teams; however, friendly competition can be fun.
2. There are no age restrictions on this event. Some have asked if their children could take place in the scavenger hunt, and we have given the green light of younger children. So please, act accordingly if children are around. We want everyone to have a great time and this will be the focus of the event.
3. All items that are on the "MAIN" list of items to collect are to be collecting using a digital camera. You will be asked to take a photo of an item with Glenn in the picture. Some items may ask that you also include a team member, multiple team members, etc. **YOU WILL NOT HAVE TO BRING BACK ITEMS**, just photos. Also, you must use the Glenn that is provided for the ghost hunt.
4. Please make sure that you use a camera that will allow us to transfer your pictures to our computers for judging. We will not be judging photographs on your devices; therefore, we need to make sure that they can be transferred... you should bring any charging cables needed to keep your cameras or devices charged during the photo transferring as well. **IT IS BEST** to have a device that uses an SD card or Mini SD card.
5. A photo can only be used once for an item and cannot be used for any other items.
6. We will be providing addresses on the "MAIN" list to the locations you have to travel to; however, we are not going to put the list into any order. It is recommended that you use a GPS system to navigate your way.
7. Judging is based on how many of the "MAIN" items you collect, and in the shortest amount of time. Then we will add the extra points to your score. So if you complete the list, get back to the meeting area as soon as you can. **YOU DO NOT WANT TO SPEND A LOT OF TIME IN ONE LOCATION.**
8. You must check-in at the meeting area **NO LATER THAN** the posted time for the hunt. (You can come sooner, but not later). If you check-in after the designated time, your team will be disqualified.
9. **YOU DO NOT** have to complete each item on the main list. In fact, there are so many items; we don't think it is possible to complete the list within the designated time frame.
10. Do not try to fake or download photos in any way. The judges have been to all of the locations and have built the list. We know if the pictures are taken that day or downloaded from the Internet.
11. **ALL JUDGES DISCISIONS ARE FINAL!** – There will be 5 judges. 2 Teams of 2 reviewing the photos and your lists and a fifth in case of a deciding vote. If a photograph is deemed disqualified, for any reason, the judge's decision is final.
12. All collected photos will become property of DNS Technology Consultants, Inc. the main company for Dark Shadow Ghost Tours. The photos may be used for marketing purposes in the future.
13. Dark Shadow Ghost Tours is not responsible for any injuries, loss of property, and damage to other property, or anything other misfortunes that is beyond their responsible control.
